\$0.5 MILLION FUND-RAISING CAMPAIGN

Spiritual Discipline: The Building extension project is an opportunity for SCAC family to respond to God's leading through faithful offering. Luke 12:48 reminds us that "who has been given much, much will be demanded". If you can give more, may our Lord bless you to give more; if you cannot give much, may our Lord bless you to give according to your burden. Let us practice the spiritual discipline on faith and offering together as a church!

Building Fund collected during the period of October 4, 2008 to April 26, 2009: \$260,718.40

Pray for the Building Extension

“O Lord, let your ear be attentive to the prayer of this your servant and to the prayer of your servants who delight in revering your name. Give your servant success today by granting him favor in the presence of this man...” Nehemiah 1:11

The City notified us that our final phrase of drawings were being circulated among departments for final comments. They estimate that feedback will be received by May 11. During this waiting period, we invite you to pray about:

- the efficiency of the City to approve our drawings
- our immediate application of building permit after May 11
- the quick issuance of site permit by Toronto Hydro
- the communication between the City and architects
- our church find favor by the City
- members of the Building Committee
- * construction projects coordinated by Don Choi & Kin Woo
- * interior design & room usage coordinated by Rev. Tang & Bessie Yip
- * budget & financial management coordinated by Joshua Woo & Amy Luk
- financial arrangement with the Bank by Albert Chik, treasurer
- joyful giving to the building fund by the congregation
- preparation of activities during construction period by groups
- health and preparation of Mark Loback, project manager

Let us seize every opportunity to pray for the building extension project during Sunday services, church prayer meetings, and fellowship/care group gatherings. May we witness the glory and guidance of our Lord! SCAC's building extension is not about the work of men, but the work of God!
